

String Student Assessment Form for Recorded Material

Student Name: _____

Musical Selection or Required Measures: _____

Evaluate your performance using the following categories to assess specific components of your playing. Refer to specific measures where problems need to be addressed or where the performance was successful. If a specific area or measure needs improvement, identify the problem and how it may be resolved.

Tone and Articulation (tone quality, type of articulation, bowing, part of bow)

Time (pulse, tempo, rhythmic accuracy)

Intonation (note accuracy, finger patterns, fine adjustment, shifting)

Technique (instrument and hand position, tension)

Musicianship (dynamics, phrasing, style, interpretation)
